

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 1 2005

Honorable Terrell I. Murphy  
Commissioner  
Texas Department of Assistive and  
Rehabilitative Services  
P.O. Box 12866  
Austin, Texas 78711

Dear Commissioner Murphy:

This is to inform you that we have conditionally approved Texas' Application, including policies, procedures, methods, descriptions, assurances and certifications for Federal Fiscal Year (FFY) 2005 under Part C of the Individuals with Disabilities Education Act (IDEA). Our determination that you are eligible for a conditional approval is based on our receipt of the Part C Application for FFY 2005, including the policies, procedures, methods, descriptions, assurances, certifications, and submission statement submitted on May 3, 2005, and amended on May 24, 2005 by the Department of Assistive and Rehabilitative Services to the U.S. Department of Education, Office of Special Education Programs (OSEP), in which it assures that it will:

1. Operate consistent with the Part C requirements of PL 108-446 and its applicable regulations;
2. Ensure that the Statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2005 grant period; and
3. Make such changes to, and submit for OSEP's approval, existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or July 1, 2006. Section II of the State's application (which is incorporated by reference and enclosed with this grant letter) identifies the IDEA statutory sections for which the State needs to amend policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

Please note that as part of your State's Application for FFY 2005, your State has made an assurance, under 34 CFR §80.11(c) that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2005 grant period. Any changes made by the State, after OSEP approval, to the State's Part C application (including policies, procedures, descriptions and methods), must meet the public participation requirements of IDEA, including those in 20 U.S.C. 1232d(b)(7).

Section IV.B of the FFY 2005 application for Part C funds requested updated information about each State's restricted indirect cost rate allocation. Our records indicate that your agency does not have a restricted indirect cost rate approved by the Department, which is your agency's Federal cognizant agency. The Department has proposed for the Early Intervention Unit within your agency a provisional restricted indirect cost rate of four-tenths of one percent (0.4%) through

June 30, 2005. Section IV.B. of your State's Part C Application indicates that your agency will continue to apply this rate throughout the FFY 2005 grant year until a final restricted indirect cost rate is approved by your agency's cognizant Federal agency.

The enclosed grant award for FFY 2005 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Troy R. Justesen  
Acting Director  
Office of Special Education  
Programs
